

Call for Nominations

Chair of Internet of Everything/M2M Special Interest Group, ISSIP

Nomination Deadline: Oct 31, 2014

Duration: 2 year

Consistent with ISSIP Bylaws, and Policies, ISSIP Nominating Committee is conducting a search for the Chair of the newly forming ISSIP Internet of Everything/M2M Special Interest Group.

All members of ISSIP are invited to participate in this process. Qualifications for this position include a knowledge of the IoT/IoE/M2M market, service and technology trends, demonstrated interest in community building, and moderate amount of project management. This position is highly visible both internal and external to ISSIP. The position requires ~ 2 hours/week.

Responsibilities include:

- Working with ISSIP Exec Director to develop the SIG Mission, Vision, Strategy, Goals and Objectives
- Rallying SIG members around the SIG goals (examples: white papers, workshops, speaking engagements)
- Speaking or moderating at ISSIP co-sponsored industry events
- Recruiting other members or speakers,
- Speaking on other SIG calls
- Providing brief monthly progress to the Executive Director
- Providing a quarterly update of SIG activities to the ISSIP Board of Directors

This is a great volunteer opportunity for contributing to service innovation in this very exciting and dynamic field while getting exceptional career advancing exposure to top tier industry and academic leaders and researchers.

Please submit nominations by October 31, 2014. Nominating statements should consist of a summary of the nominee's qualifications and experience. Self-nominations are welcome. Materials should be sent to nominations@issip.org.

ISSIP Nominations Committee Members: Chair: Ammar Rayes, Cisco, Members: Jim Spohrer (IBM), Charlie Bess (HP)
